CONGRATULATIONS SKATER!

Because of **your** level of accomplishment and enthusiasm, **you** have been recommended by your instructors to participate in our exciting new "Bridge Program"!

This program, which has been designed to give aspiring skaters, like you, a taste of the exciting world of competitive, *recreational*, figure skating will take your skills to the next level and maybe even beyond!

What you can expect from the program:

- * Small group Instruction with a maximum of four students per instructor.
- * Edge Classes
- * Jump Classes
- * Spin Classes
- * Interpretive Classes
- * Ice Dancing Classes
- * Creative Movement and Choreography Classes
- * At the completion of each ten week series of classes, all skaters will have a program routine, to music, designed for their specific skill level.
- * All Skaters will have the opportunity to accompany and participate with the Wonderland of Ice Recreational Competitive team at local and national events, if they so desire.

Individualized Attention leads to rapid Personal Growth.

The Program

Saturdays: 1:00 -2:30PM
